EDI and Special Needs in English Language Assessment

In this session, we will have an overview of the Equality, Diversity and Inclusion policies of the British Council, providing some instances of Special Needs (Bisogni Educativi Speciali – BES). This will lead us to showcase how the British Council implemented various types of special arrangement measures in its own assessment tools. By the end of the session, you will have an overarching view of every tool that the British Council developed in order to ensure test takers an inclusive and motivating English language assessment experience.
