### **Real talk, real tasks: Trinity ISE in the modern English classroom- bridging the gap between exam success and life skills**

Step into a workshop where authentic communication takes centre stage. Discover how Trinity ISE tasks naturally connect to the real world your students live in. Through hands-on activities, you'll experience innovative ways to blend exam preparation with genuine communication practice. Leave with practical Monday-morning activities that work both for exam success and life beyond the classroom. Perfect for teachers who want their students to excel in Trinity ISE while developing lasting communication skills.
